Teresa Powell Fairweather is a well-known name and face to many, having worked for C. Waterhouse & Sons and Heathfield Funeral Service for over 6 years.

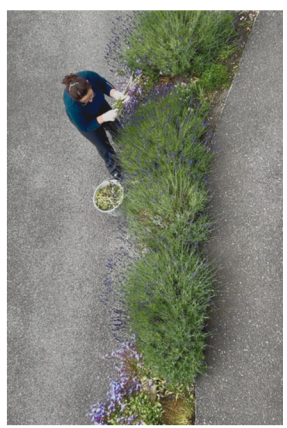
Teresa is our Burwash office manager, looking after company accounts and arranging funerals, providing support for bereaved families and friends during what can be a stressful and emotional time. Teresa works closely with many crematoriums, churches, celebrants, vicars, priests and venues across East Sussex and Kent.

TERESA POWELL

Teresa is our office oracle - and what she doesn't know isn't worth knowing!

Over the years, Teresa has worked closely with many families and naturally brings her personality and warmth to create some of the most bespoke funerals we deliver. Teresa has an eye for design and detail and enjoys the creative process behind creating our order of service, working with families, celebrants and venues.

Teresa is also a keen and able gardener, and enjoys tending the flowerbeds at work and home. We can thank her for always ensuring that something is in bloom and there is colour whatever the season.



Teresa grew up in Wadhurst and still has close ties with the village. However, she currently lives in Rotherfield, just outside Crowborough.

If you spot Teresa, don't hesitate to wave or stop her for a chat - she's a cherished member of the team at C. Waterhouse & Sons and Heathfield Funeral Service.
